Kudos! Gracias! Way to go!

Thanks to Prescott Parent tour guides Maria Pecard and Meghan O'Callaghan who gave a special tour on Tuesday to prospective families.

Thanks to 5th grader Beckett who helped Principal Mr. Roche to identify the proper locations to hang the Evacuation Maps around the school (they were taken down during the summer construction).

Sexual Health Education at Prescott from PE Teacher Mr. Medina

Prescott School will once again participate in the CPS Sexual Health Education Program (SHE).

Last year, Prescott Students did very well with being respectful to each other, asking great questions, received clarification, and busted some myths they had during the course. Thank you to the entire Prescott Community, Parents, and stakeholders for understanding the importance of health education.

The following classrooms are scheduled to participate starting Week 6 of the first quarter (September 26, 2023):

- 8th Grade Room 304
- 6th Grade Room 305
- 4th Grade Room 201

- Kindergarten Room 103
- 2nd Grade Room 106
- 

Reminder emails will be sent to parents/guardians on file as the date approaches. For more information about the CPS SHE curriculum, including the updated curriculum for K-2, please visit the district's website: [CPS Sexual Health Education](#). Thank you everyone for your support!
