Prescott families and friends,

In our second week of the school year, our students have mastered many routines and expectations regarding transitions, material management, and relationship-building. They will learn more complicated procedures and deepen relationships in the coming weeks as they go deeper into content and concepts. The first six weeks of school are critical to establishing routines and expectations. **Please make sure your child eats healthily and gets plenty of sleep and exercise, so they are healthy and at school every day.**

The *Prescott Family Newsletter* provides schoolwide information beyond the regular communication you'll receive from your child(ren)'s teachers. Middle school families will receive automatic updates from Google classroom. Please contact your child's teacher if you aren't receiving regular updates.

In this weekly newsletter, you'll find

Examples of students, staff, and families achieving our mission and vision in a letter from Principal Erin Roche
Photos of students in action
A calendar of upcoming events
Physical Education and Health Education updates from PE Teacher Mr. Medina
Counselor's Corner updates from Ms. Mathews
Art Teachers Ms. Bullard and Mrs. D.Williams' descriptions of student artwork and photos in *Prolific Prescott Artists!*
Restorative Practices information from our Interventionist Ms. Lindsey.
Congratulations! Thank you! Help Needed! section to recognize outstanding work by students, teachers, staff, and families as well as volunteer requests.
family opportunities and more!

Looking forward to seeing you at student dismissal each day and throughout the school year! Happy Labor Day weekend!

Erin Roche, Principal
Melisa Rutkelis, Assistant Principal

Congratulations! Thank you! Help needed!

Eighth graders Sohlai Yanez and Dhairya Khare led dozens of students and staff to care for over 50 plants this summer. They returned verdant and healthy, thanks to them! Sohlai and Dhairya are working with other 6th, 7th, and 8th graders to double the number of plants throughout the school to ensure that any classroom can have one (or more). Look for them to ask you for help in the coming weeks.
